

PLEASE DOWNLOAD RATES REMOTELY STRAIGHT AWAY

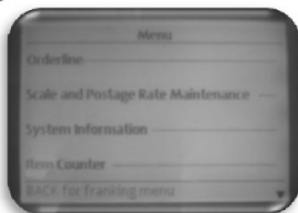

The franking machine will store these new rates and activate them

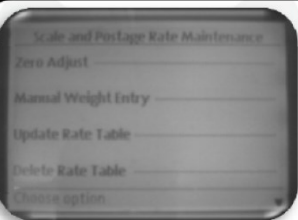

Insert your **Master card** into the **opti** franking machine
Check that your **opti** franking machine is plugged in at the mains and powered **ON**

Whilst the **opti** is at the Home Screen, press the '**MENU**' button

Select '**Scale and Postage Rate Maintenance**' using the soft keys on the right hand side of the screen

Select '**Update Rate Table**' using the soft keys on the right hand side of the screen and confirm with '**Continue**'. The machine will confirm when the download has successfully completed. If you encounter an error, press '**Enter**' to clear it and '**Home**'. Repeat steps 1 to 7.

Francotyp-Postalia Limited are certified in ISO 9001 and ISO 14001 and as such have a Quality and Environmental Manual. Please help us conserve our environment and think before you print, please only print this instruction if you have to. Thank you!
